

# JESUS FORGIVES AND HEALS CRAFT

Supplies:

- Paper
- Scissors
- Glue
- Black Marker
- Red and Black coloured pencils

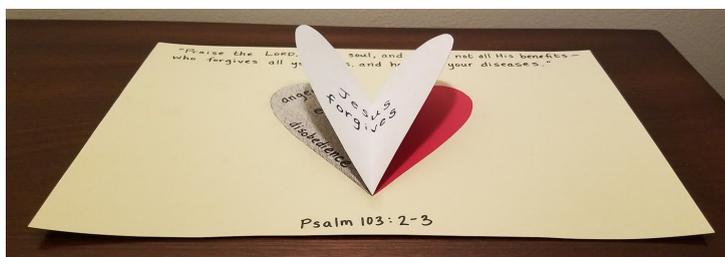

Step 1:

Cut out three identical hearts out of white paper. Colour one heart with your black coloured pencil, then write on it some sins you need Jesus to forgive. Leave one heart white, and write on it **Jesus Forgives**. Colour the last heart with your red coloured pencil (or cut it out of red paper), and write on it **Jesus Heals**.

Step 2:

Fold each of the hearts in half. Then, glue the three hearts back to back (see picture).

Step 3:

Glue the hearts in the center of another piece of paper.

Step 4:

Somewhere on the page, around your 3D heart, write:

“Praise the LORD, O my soul, and forget not all His benefits - who forgives all your sins, and heals all your diseases.” Psalm 103:2-3
